

The Cuban American Transportation Services (CATS) is a maritime company with the mission to provide quality shipping services to the Cuban American Community to reconnect with their families in Cuba.

We ship merchandise in containers. People can send packages, furniture, electro domestics and gifts to their loved ones on the island; helping them with their needs while maintaining a close relationship between families

In CATS we strongly believe that our services will both help to unite Cuban families and to facilitate respectful businesses relationship between U.S (Morgan City, Louisiana) and Cuba

CATS is working also, in create the conditions to regularly carry out commercial and parcel cargo by air as a supplement to the maritime transportation.

The commercial cargo will include all agricultural products that are classified as humanitarian aid under the Agriculture Law such as: crawfish, rice, corn, okra, sugar, seasoning, etc.

And all kinds of merchandise that the new Cuban business community wishes to buy in the USA within the people-to-people presidential regulation.

The package is defined as non-commercial cargo and will includes all products that members of the Cuban-American community are allowed to send to their relatives in Cuba and authorized to be transported by air or sea.

In addition, Cats and Louisiana's Cuban Club are advocating together with community leaders and businessmen and women before politicians and the government of New Orleans the possibility of opening a commercial flight from the City of New Orleans to Havana, which will benefit not only our customers, but to our state of Louisiana, creating new tourism opportunities.
